# UGC-DAE Consortium for Scientific Research

विश्वविद्यालय अनुदान आयोग - परमाणु ऊर्जा विभाग वैज्ञानिक अनुसंधान संकुल

(An autonomous institution of UGC, New Delhi)

(विश्वविद्यालय अनुदान आयोग, नई दिल्ली द्वारा स्थापित स्वशासी संस्थान)

(Formerly Inter University Consortium for DAE Facilities; IUC-DAEF)

26 March 2020

## To Whom It May Concern

I am writing this letter of reference, for Shri Mainak Mondal, a B.Tech (Electronics & Communication Engineering) student from the Institute of Engineering and Management, Kolkata, who has successfully carried out a Smart and Safe Power Source Project, as an Intern from 24<sup>th</sup> January to March 10<sup>th</sup> 2020, in our Centre.

Shri Mondal has designed the Printed Circuit Board and developed firmware and one user friendly hybrid application on the Android platform. He was able to comprehend our requirements for a safe and reliable power supply, which has to be operated remotely, and implement the same. This should provide us a yardstick for the dedication, sincerity and technical skills of Shri Mondal.

I have no hesitation to put on record that Shri Mondal, has the aptitude and necessary technical resources to be associated with any major challenging technical development. Shri Mondal would be a tremendous asset to any group which he joins.

Regards
